Dear Professor Chirikov:

Thank you for your reprint. I plan to be in the U.S.S.R. this coming summer and would like to arrange a meeting if it is possible. While I do not plan to visit Novosibirsk, I will visit the cities listed below:

July 13-17	Leningrad
July 18-22	Moscow
July 23-24	Volgograd
July 27-29	Rostov
July 30-31	Tashkent
Aug. 1 - 3	Samarkand
Aug. 4 - 6	Bukhara
Aug. 7	Tashkent
Aug. 8 -10	Tbilisi
Aug. 11-22	Kiev

If by some rare chance, you plan to visit one of these cities this summer perhaps we could arrange a meeting.

Some recent work of mine in nonlinear oscillations is discussed in J. Math. Phys. 7, 399 (1966). I look forward to hearing from you.

Sincerely yours,

Joseph Ford
