Professor Ian C. Percival
Fellow of the Royal Society
Queen Mary College
Mile End Road
London E1 4NS
Great Britain

Dear Ian,

Now I have a pleasure to cheerfully congratulate a new Fellow of the Royal Society who is going (perhaps) to bring about a fresh chaotic stream in the otherwise monotonous regular structure!

You should deliver the 'throne address' at the Institute seminar here this August. What would be the topic?

Cordial regards and congratulations
to you and your family
from all us,

16/IV 85.

Boris
