Dear Madame Schlumberger,

Cordial Christmas greetings from Siberia!

We often remember wonderful days spent in your estate, and in Paris. This was our most remarkable visit abroad, something without comparison, which will hardly come again. We still vividly see the big dining room in the Grand Maison, and you sitting at the head of the table and conducting firmly the party and most interesting conversations.

On the eve of Christmas and a New Year we wish you health, well-being, and happiness!

Love,

Б/ХИ 96.
